

# CRYSTAL'S SCHOOL OF DANCE 2022-2023

## REGISTRATION

All students must register **online**. The registration fee is \$32/student, is non-refundable and must be paid in full in order to hold a place for the student. Registration is on a first come, first serve basis with a pre-registration period open first to our returning students only. After the pre-registration period, registration opens to all. Class sizes are limited for the in-person option so please don't delay. Once a class reaches its capacity, you will have the option to take it virtually only (if available) or be put on a waiting list. All class selections are subject to CSOD approval.

## TUITION

- The amounts listed below are per student per installment. There are 9 installments in the season which runs from September 12, 2022 through early/mid May 2023. Please note the **discounted rates** for additional classes for same student and/or immediate family members.
- Payment by installment is as follows: **First & last installments are due up front by 9/16/22 (or at the time of registration if after 9/16/22)**. All remaining installments are due the first of each of the remaining months (Oct.-April). A late fee will be added after the 10th of the month.
- **Please note that all payments are static and do not reflect the number of classes in any one particular month.** The rates are based on the total number of classes offered throughout the season and are divided into 9 equal installment payments. There are no refunds/deductions for absenteeism or should we need to go to an all virtual platform. We do have several options for students for making up missed lessons.
- **Save 10% off your tuition for the season by paying in full by Sept. 30, 2022** - This discount is applicable on annual tuition payments **received in full** by 9/30/22. **Sorry, no exceptions.** If withdrawal should become necessary, tuition will revert back to the installment plan and any unused portion of your tuition payment will be refunded. Notification of withdrawal **must be made in writing** and received before the last day of the month of withdrawal. If notification is received the first of the month or later, that month's installment will be charged.
