

# CRYSTAL'S SCHOOL OF DANCE 2026-2027

## REGISTRATION

All students must register **online**. The registration fee is \$39/student, is non-refundable and must be paid in full to hold the student's place. Registration is first come, first serve with a pre-registration period open first to returning students only. After that, registration will be open to all. Class sizes are limited so please don't delay. Once a class reaches its capacity, you will have a "waiting list" option. If a spot opens or we make another section, we will contact you. All class selections are subject to CSOD approval.

## TUITION

- The amounts listed below are per student per installment. For regular group lessons, there are 9 installments in the season which runs from **Wednesday, September 16, 2026** through May 2027. Please see separate chart for session classes. Please note the **discounted rates** for additional classes for same student and/or immediate family members.
- Regular Group Lessons: Payment by installment is as follows: **First & last installments are due up front by 9/10/26 (or at the time of registration if after 9/10/26)**. All remaining installments are due the first of each of the remaining months (Oct.-April). A late fee will be added after the 10th of the month. Please see separate chart for session classes.
- Please note that all payments are static and do not reflect the number of classes in any one particular month.** Regular Group Lessons: The rates are based on the total number of classes offered throughout the season and are divided into 9 equal installment payments. Please see separate chart for session classes. There are no refunds/deductions for absenteeism or should we need to go virtual. We do have several options for students for making up missed lessons.
- Save 10% off your tuition for the season by paying in full by Sept. 30, 2026** - This discount is applicable on annual tuition payments **received in full via cash, check or money order only** by 9/30/26. **Sorry, no exceptions.** If withdrawal should become necessary, tuition will revert back to the installment plan with no discount and any unused portion of your tuition payment will be refunded. Notification of withdrawal **must be made in writing** and received before the last day of the month of withdrawal. If notification is received the first of the month or later, that month's installment will be charged.
